

## 2026 CROSS-CULTURAL UNDERSTANDING PROGRAM

# NOH PERFORMANCE

Participation fee  
Free!!

The Hiroshima International Center is holding "Noh Performance" as part of its 'Cross-cultural Understanding Program'. In this event, through the support of the Hiroshin Culture Foundation, we will be able to take part in the "Noh Performance Program for Youth." Being able to witness traditional culture like "Noh" and "Kyogen" (Noh Theater), performed on a true Noh stage, is a valuable opportunity. It is our hope that by taking part in this program, international residents can gain a feel for traditional Japanese culture and a deeper understanding of Japan.

## What is "Noh Theater" ?

"Noh Theater" is a generic term used to refer to *Noh* and *Kyogen*. With a 600-year history, it is the oldest surviving form of stage performance in the modern world. The Japanese Noh Theater combines dance, drama, music and poetry. It consists of *Noh*, a musical play which evokes a unique beauty known as "yugenbi", and *Kyogen*, a humorous and colloquial drama which draws on the real world for its material. The beauty of this ancient Japanese tradition is truly worth seeing.
